Hi Amy,

It would be difficult to quantify the fiscal impact of the amendments. It would take some time for Court Services Branch to provide me with specific numbers for the type of applications that will be affected by the amendments; however, they are not very common. s. 13

Hi Tyler,

I am the Treasury Board Analyst for the Ministry of Attorney General and I am working on TBS Appendix B comments on the WESA RFL. I'm wondering if you can provide a little more information about the characterization of fiscal impacts in the draft? In particular, is there any way to quantify the estimated impact of these amendments on the court system (i.e. expected reduction in #s of applications to court, increase in #s of applications for representation grants etc.)? Also, what is the likely **net** effect, i.e. overall are the amendments likely to increase or decrease utilization of court resources?

Thanks,

Amy Higginbotham

Hi Caryn,

I noticed that this RFL does not include a fiscal impacts section. Is it possible to have one added (just to note, I presume, that there are no anticipated fiscal impacts)? Also – would Tyler be the person I could contact with any specific questions? I think this one is straightforward from our perspective but might want to check in with him to confirm.

Thanks,

Amy

Hi Caryn,

Please find attached the revised RFL for the proposed WESA amendments and Appendix B.

Please review and (if satisfied with the revisions to the RFL) forward to TBS for comments. I've been advised that this RFL is scheduled for ^{s. 12} . I have been asked to have my package ready for May 8.

Best regards,

Tyler

Thank you for the revisions.

I've updated the RFL to reflect the suggested change and to clarify that beyond consulting with court services branch, some of the amendments that form part of the RFL were their idea.

Sorry for the rush, I was advised on my return that the WESA RFL has been deferred to a later Cabinet date.

Best regards,

Tyler

Hi David,

Please find attached an RFL with proposed amendments for the Wills, Estates and Succession Act.

The WESA RFL package has been scheduled for the s. 12 I have been requested to have the package ready for approvals by **March 27**.

Please be advised that I will be away from March 15 until April 3 and that Julie Williams (copied) should be provided with the TBS comments to ensure that they are added to the RFL package we submit for approvals. As noted in the Appendix B, these are minor clarifications that should not have a significant financial impact.

Thank you for your attention to this.

Sincerely,

Tyler

Hi Ed,
Given the volume of OICs, Cab Subs and RFLs that have come thru recently, along with the volume of COVID-19 related and non-COVID-19 related TB submissions, I'm going to hold off on this until a Cabinet date is confirmed.

A lot seem to have the word "Rush" on them and it's becoming a bit of a habit.

I've already provided comments on several OICs that have not confirmed Cabinet date and there is just too much work to do.
